Description

French Art Deco Clock by Jaz Superb 1930s Art Deco chrome and Bakelite clock made by the Jaz company. This clock is in remarkably good condition. Often these clocks are found with severe chrome tarnishing or pitting but this beauty seems to have stood the test of time (pun intended!) and is gleaming! The dial also shows little to no signs of its true age which is also quite unusual for these clocks. Fully working order, having been serviced by our horologist should serve the new owner another 70 - 80 years. Measurements: Height = 4.5" (Approx 11 cm) Width = 5" (Approx 13 cm) Width = 2.5" (Approx 6 cm) UK Mainland Delivery Charge £7.50
