Description

Sweet little Victorian period figure by Royal Worcester of a young boy reclining on a naturalistic rocky base, swathed in a flowing pink tunic gorging himself on a bunch of green grapes. Pretty features with blond wavy hair and pale blue eyes; lovely quality modelling and beautiful painting. Impressed mark to the base and diamond registration mark but difficult to read the exact date. It measures 11cm (4 1/4") high and 11cm (4 1/4") by 9cm (3 1/2") wide. Condition is very good but there has been some professional restoration to his right foot. Otherwise no damage and minimal surface wear.
