Sold**Item Reference: SA401675****Date of manufacture: 1930**

Description

Superb 1930s Art Deco Cafetière originating from France. Made by SFAMOKA. Each part interslots with the other which comprises coffee pot with filter and sugar bowl with lid. Each piece has a amber coloured bakelite handle and lid. The chrome is in exceptional condition, bright and crisp as when first made. Also comes with it's original leaflet. Great item and fully functional. Only flaw to mention is there's some Pitting at the bottom rim of the coffee pot . Height 10.5 cm pot without lid , with filter and lid 23.5 cm . Width with handle and spout 20 cm.

Internal Ref: CAF10
