Description

A Victorian Carved Oak Desk Or Writing Table This is a very attractive piece, the desk has been superbly carved, on one side there are 2 drawers, with the carved face of a bearded huntsman, on the other is the head of a King, the table had very chunky and deeply carved legs The desk has a new Tan coloured tooled leather top with a moulded edge, although the drawers are on one side only this piece was definitely intended to be viewed from all sides. This is an unusual piece to come across and a delight to look at it would work very well in a study or as a hall table, it is in excellent condition there is a small chip on one of the wooden turned drawer knobs The desk is 59" wide, 30" high, 27" deep and the under knee height is 22" NY55CWe Give Free Delivery to Mainland England & Wales, to see all of our current stock please visit our web site at www.elmgarden.co.uk Delivery times vary according to your location We only operate an online store and regrettably viewing in person is not an option.
