Sold

Item Reference: SA402284

Date of manufacture: 1920

Description

A fine quality 18K gold IWC Schaffhausen chronometer pocket watch circa 1927 with the original box. The original silvered dial, gilt numerals and hands. Mechanism no. 868681 H5. Case width 47mm. We purchased this watch direct from a lady who's father had owned it from new. It was sent to IWC for a service in 1989. From Kembery Antique Clocks Ltd you can expect a genuine watch that has been serviced and has 12 months guarantee. It will be carefully packed and sent on a day of your choice. Worldwide tracked sending available.
