German Folk Cupboard -late 18th Century

Price

Sold**Item Reference: SA402556****Date of manufacture: 18th Century**

Description

Stunning late 18th century German farm/folk cupboard with its original paint. This rare and wonderful piece has a subtle patina and painted detail. It has a lovely shape and is very practical as it has two shelves and original wooden hooks on the inside. There are also some pretty details. Its size make it very versatile and it would work in a variety of settings. Original key and escutcheon plate, and ball feet. Excellent condition. Dimensions: Hieght - 189 cms Width - 116 cms Depth - 44 cms
