Date of manufacture: 1940

Description

Gents 1940s Silvana hand winding wrist watch. The watch has a hand winding Swiss movement which is working well. The movement is stamped with the AS calibre number 1130. The watch measures 33.4mm diameter excluding the winding crown and 40.5mm high including the lugs. The case is plated and there is some marking and wear commensurate with its age. The screw-on case back is stainless steel. The lens is in good condition. The dial is signed Silvana and is in its original finish and there is faint surface marking but overall it is in good condition for such an early piece. The watch has its original hands. A new black leather strap has been fitted. Price includes worldwide postage.
