Description

A 1940s Art Deco Roamer Standard gents wrist watch. The watch has a Swiss 15-jewel hand-winding movement which is working well. The movement is signed Roamer Standard, 15 jewels, Swiss made. The watch measures 21.6mm wide excluding the winding crown and 42.6mm high including the lugs - it would probably suit a man with a slimmer wrist. The case is plated and it has light surface marks but overall the condition is good for a 1930s piece. The convex lens is in nice condition with only the odd minor mark. The dial is signed Roamer Standard, Swiss Made. The dial has faint surface marking although hardly noticeable to the naked eye. The watch has its original steel hands (some of the infill has come out of the hands). A new black leather strap has been fitted. Price includes worldwide postage.
