Description

Superb 1930s Art Deco modernist fireplace totally authentic. Features thick cut mirror glass in peach/pink colour with silvered linear decoration. Central to the fire is a concave chrome two bar fire (working but not pat tested, so selling as decoration item ONLY). All of the above rests on a Jet black curve of vitrolite glass - very glam! These fires don't come along very often. Ideal for modern and period home settings and either for living area or bedroom, either way makes a great focal point. Condition is very good and original, there are signs of age, but no damage and nothing unsightly. Delivery £75 mainland England, wales, Scotland etc please email for a quote.
