Description

Circa 1920-1940 a gilded brass lantern with four curved glass panels each with a star burst etched into the centre, and with three lights inside. The light measures 43cm in length from the hook at the top to the very bottom of the brass acorn shaped finial, and approximately 23cm in width. It comes with 30cm of original chain and we may be able to supply a longer length of chain to match if required. It has been lightly polished, not lacquered and was rewired by the previous owner to UK specifications but will need a new PAT test before installation. Postage and packing within the UK mainland only is included in the price and for remote parts or abroad, please contact us for a delivery quote.
