The case is .900 silver with a rose gold silver wash around the bezel and the edge of the hinged case back, known as a galonne case. There is also engine turned detail to the case back, along with a vacant cartouche to the centre. The watch glass is in good condition. The champagne coloured dial is in its original finish, there are some minor marks if viewed very closely. Blued steel hands, a subsidiary seconds dial and an outer minute track.
