Description

A beautiful pair of sterling silver lorgnettes, marked 925 silver, probably French but with a full English import hallmark for London 1938. The little catch releases the lenses from the case, they then spring open. They are very usable, with clear lenses and good magnification to help reading. There is a silver bale, perfect for adding a silver chain or perhaps a silk ribbon. Excellent condition, measuring 2 5/8" including bail x 7/8" wide while folded. Once open, the the two lenses span 3 1/2" wide. Item ID:35975 FREE Worldwide Registered Airmail Directly from London, England
