Description

A fabulous silver three piece cruet of naturalistic design. All three pieces have glass bodies and the mustard pot and pepper have silver mounts. The frame is of heavy gauge silver and fashioned as a vine leaf, with the curling tendrils being the supports for the bottles and the handle. The salt would have been 'pinched' to serve and the mustard has an associated spoon. Only rarely do these sets survive complete and undamaged and this would make a great gift idea, being both practical and decorative. P&P contribution :- £10.00 UK. £20.00 Worldwide. Condition :- Excellent, with no dents or splits to the silver and no chips or cracks to the glass. Hallmarks :- Clear and readable, with bottles fully marked as well. Maker :- Elkington & Co.. Date :- Birmingham 1860. Mustard pot height :- 7 cms. (to outside of handle) Salt width :- 5.55 cms. Pepper pot height :- 7.25 cms. Base width :- 12 cms. (widest point). Base depth :- 12 cms. (deepest point). Base height :- 5 cms. (to top of handle).
