Description

Pair of antique Swedish Chesterfield leather armchairs in wonderful condition & very comfortable. The leather is original & a great colour. They have deep buttoned backs & the leather is in excellent condition with no splits, tears, holes or patches. I would say they date to around the 1910 period & they have loads of character. It's been a long time since I had a pair like these & people have been asking me for this type of thing, so I don't think these will hang around for long. Width - 35.5", 90 cm Depth - 31.5", 80 cm Height - 29", 74 cm Seat height - 18", 46 cm
