Description

A most handsome and fairly large three draw pocket telescope dating to around 1880, Victorian in era. The telescope is made from exotic and expensive Rosewood and the brass with a good natural antique patina. The lens has a brass cover and the eye piece has a little integrated shutter to protect the eye hole. Signed Mason, Dublin. In fine working condition with excellent optics the telescope measures 8" when fully closed and extends to 22". Item ID:37354 FREE Worldwide Registered Airmail Directly from London, England
