Description

This is a fine example of a gents classic wristwatch made by the world renowned premier Swiss maker Rotary. The 15 jewel manual wind movement is in lovely condition. The sub seconds dial with gilt hands are completely original. The glass and case are totally unmarked and new strap has been fitted. As you would expect the watch is fully marked on the dial, movement and case. It comes with a brand new leather strap. The case has a full set of British 9ct gold hallmarks. The watch is a mid size measuring 30mm in diameter not including the crown making it ideal for a lady who prefers a larger dial. The watch movement has been fully serviced and is guaranteed to be a genuine Rotary in all respects. It has been professionally overhauled, the process is highly detailed and meticulous. It is stripped down to its component parts and each part is examined under a microscope for signs of wear, any worn parts are replaced with genuine manufacturers parts. Each part is then thoroughly cleaned in a three stage ultrasonic cleaning process. The movement is then fully assembled using manufacturers approved oils and lubricants and is carried out in a clean room environment. Th...
