Description

Outstanding Omega solid 9ct gold gents wristwatch c1956. This is a very fine example of a gents classic wristwatch made by the world renowned premier Swiss maker Omega. The watch is the fully automatic calibre 501 17 jewels, one of the finest automatic movements Omega ever made. The professionally fully restored dial is in superb unmarked condition. It has gilt hands and baton markers. A new glass has been fitted and the case has been professionally polished. As you would expect the watch is fully marked on the dial, movement and case. The case is hallmarked and the serial number dates this watch to 1956. It comes complete with a new premium quality chestnut brown leather strap and a new presentation box to keep your watch in perfect condition. Omega are one of the most exclusive watchmakers in the world and this watch certainly has that understated elegance that whispers class. The watch case is slightly oversize and measures 35mm in diameter not including the crown. Overall this watch is in outstanding condition and highly sought after by Omega collectors indeed it looks as if it was rarely worn. The watch has been fully serviced by Alan Williams FBHI...
