Description

A RARE late 19th century South-East African 'Baboon Master' walking stick handle or staff with carved wooden baboon figure. The 'Baboon Master' worked in the region of Durban in the 1880s and 1890s with his signature baboon carving incorporated into the handles of his sticks. The sticks were popular purchases for the British Troops serving in the South African and Boer Wars. It measures 14". Signs of wear. Being sold with NO Reserve.

Internal Ref: Tribal
