Description

Here we have a very unusual small 19th century stand, possibly for a shallow bowl. This beautiful wee stand has three Baboons teeth for legs with gilded brass framework and gilded brass Elephant head decoration to the top of each leg. The detail of the Elephant heads is incredible for their tiny size. One tooth has a crack but is solid otherwise it is in good condition for age. Most Unusual. SIZE; 3" diameter by 3 1/2" high
