Description

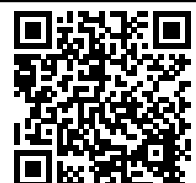

Victorian Mahogany Dining Table This pleasing table was originally the wind out type which takes a leaf in the centre, now it has been fixed in the extended position though it still has the winding mechanism underneath The top of this table has a very attractively finished Mahogany top The construction of the table is all solid Mahogany and it is in good sound condition with no wobbling but it has as I mentioned earlier been fixed in the extended position with its centre leaf The table is 58" long, 42" wide, 30" high and 24" under knee height, I think that being almost square it would seat 8 very comfortably FR126 We Give Free Delivery to Mainland England & Wales, to see all of our current stock please visit our web site at www.elmgarden.co.uk Delivery times vary according to your location We only operate an online store and regrettably viewing in person is not an option.
