Description

A 1920s Valjoux chronograph pocket watch. The watch has a Valjoux 5 stem-winding movement which is working nicely. Originally there would have been a hinged cover over the movement but this has gone missing over the years. The watch itself measures 50mm diameter excluding the winding stem and the loop. The case is nickel... the front of the case is in lovely condition and there is some unevenness and marking to the back. The watch glass is in good order. The white enamel dial is in beautiful order. There are two subsidiary dials, constant seconds at 6 o'clock and 30 minute dial at 12 o'clock. PRICE INCLUDES WORLDWIDE POSTAGE
