Description

Very pretty Victorian Christening mug with vacant cartouche to the front. Lovely bright cut engraved detail around the body, the top and bottom with beading. An ornate scrolled handle with moulded and engraved terminals and a feather scroll thumb rest. It retains its original gilt interior. Hallmarks area bit rubbed but I think the maker's mark is for Edward & John Barnard and dates for London c.1855-65. It measures 3 3/8" high, and 4" by 2 5/8" wide. It weighs 141g/4.5ozt. Condition is excellent with no damage and very light surface wear bar the slight rubbing to the marks, nice and clean inside.
