## Description

This is a first and I have had thousands of boxes pass through my hands over the years. If it were significantly shorter, it would have been described as a glove box. Made from exotic polished Coromandel, the box is mounted with cast brass straps set with cabochon Malachite stones. There is a possibility that this was made for very long gloves but more likely it was custom made for another purpose as it does measure 19 1/2" in length. Dating to around 1860, it remains in excellent condition. 19 1/2" x 5" x 3 1/2" tall. Item ID:37265 FREE Worldwide Registered Airmail Directly from London, England
