## Description

Delightful 1930s Art Deco French figural lamp depicting a young woman reclining. The base is made up from contrasting coloured marble which also supports the small globe lamp to the back of the figure. Completely authentic apart from the rewiring to keep her to current regulations. She illuminates beautifully from the back when the light is on, great ambiance for any room. These particular types of lamps don't come onto the market very often so we were pleased to have found this one. Ideal size for displaying in any Deco collection /setting. Excellent condition, just minor ware to her and dress which gives authenticity to her age. UK delivery £9.50
