Description

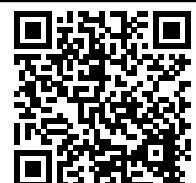

A set of Prints depicting the 4 Seasons dated 1883 after W.J.Shayer. These are very attractively mounted Prints of Spring, Summer, Autumn and Winter, they are well presented in Hogarth style frames and published by Ackerman. The colour of the prints is bright and clear though there is a little bit of age related staining especially. This is a large and striking set of pictures and does have a delightful sense of Country House Shabby Grandeur. The Frames are 13" high and 30" wide. TSR229.
