Description

A Superb Victorian Green Man Carved Oak Pedestal Desk This is a good Large Victorian Desk, made in Oak which has been superbly and intricately carved with the masks of Lions or perhaps the green man, and rings set as handles to the drawers. The other carved panels depict the leaves and fruits of the woods and forrest The top has its original leather cloth inset, shabby and faded and it has a deeply carved edge The deep top section of the desk has 3 concealed drawers at the front, and this sits on 2, 3 drawer pedestals The desk is good to look at from all directions it has deeply carved panels on the sides and on the reverse side, so definitely not to be hidden against a wall The desk is in good sound condition, the original leather cloth can be replaced by tooled leather if required, and it comes in 3 for transportation The desk is 30" high 54" long and 29" deep and the knee hole is 25" high SR226 We Give Free Delivery to Mainland England & Wales, to see all of our current stock please visit our web site at www.elmgarden.co.uk Delivery times vary according to your location We only operate an online store and regrettably viewing in person is not an option.
