Description

A truly exquisite Antique Victorian Papier Mache Jewelry Box by the creme de la creme maker, Jennens and Bettridge; signed on the underside and "Makers to the Queen" referring to Queen Victoria. Of course what makes this box an heirloom example is the stunning hand painted scene to the top, a very early hunting scene. The sides and back are beautifully gilded with red and green enameling. The box has been professionally re-lined on the inside with a Burgundy colored velvet with the large original removable tray and a further tray to the back with a full width being a padded ring bank. Dating to c.1850, the box remains in superb condition with a working lock and key. 11" x 8 1/2" x 4 1/2". Item ID:37877 FREE Worldwide Registered Airmail Directly from London, England
