Description

Pretty set of 4 Edwardian silver menu or place card holders by Sampson Mordan & Co. in their original blue leather case. A simple elegant design of overlapping rings on a round base with concave curved sides. Each marked For Chester 1910 and with registered design number (Rd)563917. They measure 1 3/8" high and 1 1/4" across the base, they are weighted. Condition is good; one has had a small repair at base of the rings and the weighting is not the same across them all. Otherwise only light surface wear and the box also is in good condition, just a few light marks.
