Description

An antique "Express" English Lever pocket watch by J G Graves of Sheffield. The watch has a key-winding movement which is working nicely. The signed movement is protected by a fitted inner cover. A winding key is included. The watch measures 52mm diameter excluding the stem and the loop. The case is silver and there are hallmarks inside both of the case backs for Chester 1905 with a maker's mark for J G Graves. There is a slight indentation to the back of the watch but other than that, the case is in good order. The inside of the case back has a previous owner's details, P O'Donovan, Dowlais, Glam (Glamorgan), 1924. The watch glass has a few small chips to the bevelled edge, the main flat surface looks good with just slight minor marks. The signed white enamel dial is in good condition... there are three areas of nibbling on the very edge but these are covered by the front cover. PRICE INCLUDES WORLDWIDE POSTAGE
