Description

Early Victorian Mahogany Chest on Chest. This superb piece of furniture dates from around 1830, it is was a greatly favoured piece because of the great amount of storage it gives. The chest stands on bracket shaped feet, the base section has three long drawers, with a brushing slide and the upper section is the normal two short over three longer graduated drawers. The top of the piece is set off with an attractive dentil cornice. The chest has a wonderful patina and a rich chestnut colour, it has brass swan neck handles and the chest is in very good condition, there are signs of some old repairs to the bracket feet. A superb piece of Country House Chic and it is not too tall to look superb in a country cottage. The chest stands 72" high it is 45" wide and 22" deep. MG222.
