Description

Early 20th Century Permutit Water Softener In very good condition, this piece is made in white earthenware with chrome fittings, the Royal Appointment and the other written details are all very clear, an interesting piece dating to a time when water purity was just being recognised The Filter is 24" tall and 4" in diameter TSR240 We Give Free Delivery to Mainland England & Wales, to see all of our current stock please visit our web site at www.elmgarden.co.uk Delivery times vary according to your location We only operate an online store and regrettably viewing in person is not an option. In the unlikely event you wish to return an item you should contact us immediately. We will then arrange for you to return it to us at the buyer's expense, the item must be returned back with us in the same condition as it left and a full refund will be issued

Internal Ref: TSR240
