Description

RARE 18th century George 3rd solid Sterling silver table coaster of round form. Moulded base with chased and pierced decoration to the body and moulded top edge. The marks on the coaster are a bit rubbed but I'm pretty sure they are for WILLIAM ABDY 1, LONDON 1781. The coaster comes with a fairly modern "House of Commons" glass decanter which fits it very nicely. SIZE 6" diameter by 2" high CIRCA; 1781
