Description

A Georgian Mahogany Bowfront Chest of Drawers of small proportions, with a dressing slide over four graduated drawers and raised on splay bracket feet. Circa 1820. 89cm high x 79.5cm wide x 43cm deep. The chest is of a good colour with no missing veneer. The pressed brass handles are original to the chest with the exception of the bottom two which are matched. The baize to the dressing slide is original but has moth damage - I can get the baize or the handles replaced at cost if preferred.
