Description

A 1930s G Thommen Revue pocket watch. The watch has a signed stem-winding movement which is working well. The watch measures 47mm diameter excluding the winding stem and the loop. The stainless steel case is in nice condition for its age with just surface marks to the back from use over the years. The watch glass is in good condition. The dial is signed with the original retailer's name, Sixten Nilsson, Avesta which is in Sweden. There is a little marking to the dial but it is not too detrimental. The dial has a charming appearance with Breguet style hands, a subsidiary seconds dial and an outer 24 hour track. Price includes worldwide postage.
