Description

Very impressive large antique burr walnut cocktail cabinet, with superb carving. It's in excellent original condition, dating from around the 1920-30's period & has just been polished. The door fronts are burr walnut, cross banded & have etched brass escutcheons. The sides are also burr walnut with canted corners & it has a shaped dome top. The inside of the top section is sycamore lined, with a mirrored back, glass shelves & a pull out mirrored slide for serving drinks on. There is also a light inside, but that would have to be checked & re-wired. The bottom section has lots more storage. The pierced carving around the bottom section is stunning & it has well defined hairy paw feet. Please enlarge the images especially on the carved walnut base. This cabinet comes apart into two sections. Width - 45.3", 115 cm Depth - 20", 51 cm Height - 68", 173 cm
