Description

An Art Deco Record pocket watch. The watch has a stem-winding movement, calibre 33, which is working well. The movement is signed with Record Watch Co, Geneve and it is protected by an inner hinged cover (which has an indentation). The watch measures 49mm diameter excluding the winding stem and the loop. It has a galonne case which is 800 silver with a rose gold wash around the bezel and around the edge of the case back. The rose gold wash has been rubbed over the years, especially on the back of the watch. There are vertical stripes to the back of the case, typical of Art Deco design, and a vacant cartouche. There is an indentation next to the cartouche. The lens is in good order. The dial is signed Record Genève. Blued steel Breguet style hands, a subsidiary seconds dial and an outer 24 hour track. PRICE INCLUDES WORLDWIDE POSTAGE
