Description

It is rare these days to find such a good quality , large desk. The desk measures 67" x 43" (171 cm x 110 cm) To the front there are 9 drawers and to the reverse there are 3 drawers across the top and 2 cupboards beneath with a shelf. Both cupboards have locking keys. (See photo) It therefore provides an ample amount of storage. All the drawers are oak lined and all run well. They all have their original, brass, swan neck, handles. Several drawers look as though they have hardly been used. The leather is pale olive green and is tooled and gilded. It is in excellent condition . There is just a tiny bit of damage to the top back corner of the leather but it is not noticeable (see photo) 29" high 67" wide 43" deep
