Description

A vintage 1920s Harris Stone Leeds gold plated pocket watch. The watch has a Swiss stem-winding movement which is working well. The movement is signed H.Stone, Leeds, 15 jewels, Swiss made. The watch measures 50.4 mm diameter excluding the winding stem and the loop. The gold plated case is the Star model by the English watch case maker Dennison - Swiss movements were often imported to be cased in Great Britain. The case is in nice condition with only light surface marks from use. The watch glass is in nice condition with only the odd minor mark. The white enamel dial is signed Harris Stone Leeds and is in nice condition. The watch has its original gold hands. Price includes worldwide postage.
