Description

Antique 1892 Waltham Regina gold filled full hunter pocket watch. The watch has a stem-winding movement which is working nicely. The nicely jewelled movement has a Church 1892 regulator with star wheel invented by Duane Church. The movement is signed Regina, American, Waltham has the serial number 5395971 which dates it back to 1892. The movement is protected by an inner hinged dust cover. The watch measures 52mm diameter excluding the winding stem and the loop. The case is 14ct gold filled and was originally guaranteed for 25 years. The case is in nice condition with only light surface marking from use. The winding crown pushes down to release the front cover. The lens is in good condition. The watch has a white enamel dial which is signed Regina with a coronet over and American Waltham. The dial is in nice condition. The watch has its original blued steel hands. Price includes worldwide postage.
