Description

Antique 1912 Waltham gold filled full hunter pocket watch. The watch has a stem winding 15 jewel movement which is working well. The movement is stamped A.W.W.Co, Waltham, Mass, 15 jewels and the serial number 18516636 which dates the watch back to 1912. The watch measures 50.6 mm diameter excluding the stem. The gold filled case is stamped Moon trade mark, Dennison Watch Case Co. English make guaranteed to be made of two plates of 10ct gold with plate of composition between and to wear 20 years. The front cover opens as it should by pressing the winding crown in. The case is in nice condition with only light surface marks from use and minor wear to the edges. The watch lens is in nice condition. The dial is signed Waltham. The dial has a faint hairline crack between the bottom of the sub second dial and the bottom but otherwise it is in nice condition. The watch has its original blued steel hands. Price includes worldwide postage.
