Description

Gents 9 carat gold Valex wrist watch. The watch has a 17 jewel hand-winding movement which is working nicely. The watch measures 32.5mm diameter excluding the winding crown and the lugs. The case is 9 carat gold and there are hallmarks inside the case back for Birmingham 1960. The case has some surface marks and a series of small indentations to the back but overall is absolutely fine for a 1960 piece. The lens is in good condition. The signed dial is in lovely condition with just some darkening to the end of the hour hand. A new black leather strap has been fitted. PRICE INCLUDES WORLDWIDE POSTAGE
