Description

A REALLY STUNNING ORIGINAL 1930's ART DECO FRAMELESS BEVELLED PEACH GLASS WALL MIRROR. Measures 23" diameter. Mounted on the original stipled and gilded wood backing, it has the original makers label for "Atsonfa", an English mirror manufacturer during the 1930s. It is in amazing original condition, with no chips or damages of any kind. I usually point out that if you want a Deco mirror with no blemishes it's best to buy a new reproduction one ~ however, this one breaks the rule. For an original mirror, the condition is the best I've seen. Outer peach bevelled glass border, with washed gilded carved wood detailing, it really does look stunning. Superb quality, too. Would look wonderful in any contemporary or Deco setting. Fantastic original mirror to authentically reflect the Art Deco period,
