Description

Mahogany double pedestal desk circa 1920 Here we offer you this desk made of mahogany. We find that this is the most popular size as it is great for the office as well your home. This desk is made in 3 parts, something that you should lookfor as it would show that it not converted from a different item in its lifetime. The top with its lovely hand dyed and gilt tooled inset writing surface, fitted with 3 drawers along the top. Below the top section there is a pedestal to each side of the knee-hole that are fitted 3 graduated 3 drawers. All the drawers are fitted their original cast brass handles The desk is polished all the way around and so can be situated away from the wall if required. The desk sits on solid brass castors that allow ease of movement. To view this on video please go to our own site www.hingstons-antiques.co.uk 149cms wide 75cms high 81cms deep 60cms high floor to knee-hole PRICE MATCHING Antiques are quite unique as it is impossible to price match.
