Description

Round mahogany George II birdcage tripod table with dish top. Lovely turned up stand. Top has signs of age with a rather delightful old repair which can be seen on right hand side of fifth image. This in our view is almost a bonus that during it's long life someone has treasured it enough to effect a small repair. The age and repair are reflected in the price. Height 74cm; diameter 50cm, leg length 25.4cm
