Description

A very useful antique storage cupboard dating from the 1900's. Two splendid decorative doors with partitioned shelving inside. The cupboard comes with the original carrying handles making this an easy piece to move around. In our opinion this would work well in a boot room/utility or hallway or even as a TV stand/cupboard. Stripped of its original paint this is now in the bare wood. If you would like us to wax it for you this will cost £37 Height: 27.5", width: 48", depth: 19.5"
