Description

Rare French Bakelite Miniature Alarm Clock Very attractive 1930s Art Deco French alarm clock in miniature form. These clocks are without doubt very hard to come by in this size, we've only had 3 in the past year. Made by the French maker Bayard, this clock is in very good condition, the bakelite is as bright and crisp as when first made. There is some minor tarnishing to the chrome bezel, but you have to look closely to see it and has been magnified in our pictures here. Full working order.
