## Description

A set of three Victorian silver egg spoons in the sought after fiddle & thread pattern. These difficult to find examples of antique flatware make an interesting addition to a service in the fine fiddle & thread pattern. The spoons are double struck (pattern front and back) and have an attractive armorial (softening) to the front top. With so much flatware lost to scrap in the last couple of years, these are rare and sought after items. P&P contribution £8.00 UK £12.00 Worldwide Condition :- Excellent, with no dents or splits.
