Description

A really superb and untouched telescope complete with it's original leather case and lens caps. This huge example measures 39 inches in length when fully extended. Made from brass there is an integral leather covered sun shade which pulls out when required. The optics are strong and in full working order. The telescope is signed by the highly regarded Dolland of London. Excellent condition with original antique patina and dating to around 1910. The telescope measures 12 1/2" when collapsed x 3 1/2" in diameter. Item ID:37892 FREE Worldwide Registered Airmail Directly from London, England
