

SA412535

A late Victorian Swiss pocket watch and chain

Price

Sold**Item Reference: SA412535****Date of manufacture: 1900**

Description

A late Victorian Swiss pocket watch and chain. The watch has a key-wound movement which is working nicely (a winding key is included). The movement is signed Made in Locle for E Harris, Liverpool which implies that E Harris was the importer and retailer of the watch. The watch measures 53mm diameter excluding the stem and the loop. The case is silver and there are Swiss 935 silver marks inside both of the back covers. The front of the case is in good condition while there are a handful of fairly small indentations to the back. The watch glass is in good condition. The white enamel dial is in very nice order. The watch comes on a silver chain which measures 21.5cm long including the T-bar and the clasp. PRICE INCLUDES WORLDWIDE POSTAGE
