

SA412677

Rare "Arts & Crafts" Brass
Standard Lamp, attributed to
W.A.S. Benson.

Price

Sold

Item Reference: SA412677

Date of manufacture: Edwardian

Description

An interesting and unusual brass standard lamp attributed to the famous Arts & Crafts designer W.A.S. Benson and dating from c.1900, it has been originally a gas lamp converted to electricity. It has a rise and fall or telescopic action. It has just been professionally re-wired in traditional cord wire and is ready for the home.

Internal Ref: 023432
